## FABRIC COLORS

Fabric	Description	Composition faceside	Martindale	Pilling	Colour Fastness
Be Lovely	Be Lovely is a very soft and fluffy fabric with a trendy look. The finely coordinated colors add the finishing touch to the extremely soft feel. Thanks to its soft feel, the fabric looks very luxurious	100% PES	>45.000	4-5	Light 6

Bergen Chenille	Bergen, a landscape of intricating heavy chenille. This rich upholstery fabric has a soft touch.	100% PES	100.000	5	Light 5
Bull	The unique characteristic of this article is the "leather aspect" together with the pleasant handfeel of fabric. The backing of Bull exists out of 100% recycled leather fibres. Leather leftovers are ground by a shredder and after a special process flocked on a knitted microfiber. This unique leather fibre backing creates this special, comfortable and thick grip. The top layer is a knitted microsuede with a leather print and an embossing. Bull has also been finished with a damp and dirt prevented treatment. Through daily use this "used aspect" will become more visible, this has no further influence on the quality or durability of this fabric.	Faceside: 96 % PES, 4 % PU Backside: 100 % LEATHER FIBRES	32.000	3-4	Light 3-4
Cloé	Cloé is a classic and stylish cord-velour that stands out with its stunning feel. This beautiful chenille jacquard makes any piece of furniture look trendy.	100% PES	48.000	5	Light 6

Fabric	Description	Composition faceside	Martindale	Pilling	Colour Fastness
Giulia	Giulia is woven from a blend of yarns and stands out with its distinctive noble appearance. The stylish impression convinces with its beautiful, natural look, especially with its rich character and soft touch.	85% PES, 15%VI	>85.000	5	Light 4-5
Island	Island is a fabric that will lift the appearance of any furniture item on its own. The dessin shines slightly and is luxurious with the use of heavy chenille yarns, therefore it can be styled both as an interior basis or accent fabric.	100% PES	55.000	5	Light 4-5
Jasper	The contemporary interpretation of the ribbed, velvet-like fabric. The extraordinary retro wave is interrupted by an exciting stiffness. The exciting image of the yarn-dyed chenille fabric is supported by a melange effect.	100% PES	>35.000	4-5	Light 5
Miami	A nice, elegant and soft quality with voluminous grip. Chenille fabrics, such as Miami, are perfect for creating cozy, warm and elegant furniture. Kindly note that during use a sitting mirror/ seat depression will appear, this can be minimized by brushing Miami on a regular base. Important is to mention that this can never be taken away completely.	70% PES	85.000	4	Light 4-5
Niagara	Niagara is a soft and lofty chenille fabric. It's made of 100% PES and has no backing, making it very drapable.	100% PES	100.000	4	Light 5-6

Sheep	Sheep is a fluffy fabric with a trendy look. The finely coordinated colors add the finishing touch to the extremely soft feel. Sheep is made of pure polyester, which makes it particularly durable.	100% PES	>35.000	4-5	Light 6
Unicorn	Unicorn is a trendy structural fabric with a discreet two-colored finish. Unicorn also appeals by an extremely soft feel, which is created using chenille yarn. Unicorn is breathable, with a surface structure that looks fresh and trendy.	100% PES	>35.000	4-5	Light 6
