# INSPIRING INTERIORS & BESPOKE SEATING

At Richmond Interiors, everything revolves around creating interiors that truly reflect who you are and what you want to express. A place where you feel at home, where guests are warmly welcomed, and where style and comfort go hand in hand. Whether it's a hotel, restaurant, meeting room, or your own living space, we are the partner who thinks along with you, inspires you, and provides tailor-made solutions.

In this magazine, we invite you to discover our extensive collection of seating furniture. After all, a space only gains real character with a sofa or chair that beckons you to sit down and stay awhile. At Richmond Interiors, you can choose not only from a wide range of sofas, dining chairs and arm chairs, but also from an extensive selection of premium fabrics. This way, you decide on the perfect upholstery to match your style, concept, or project.

We also offer a versatile program of modular sofas and lounge seating. With these, you can easily create the perfect setup: compact and practical for smaller spaces, or spacious and inviting for a bold statement. Always in the fabric and finish that perfectly suits you or your project.

Create your own stunning interior that is not only functional and comfortable but also makes a lasting impression and continues to surprise. Feel free to contact us for personal advice. Together, we'll turn your home or project into a truly unique experience.

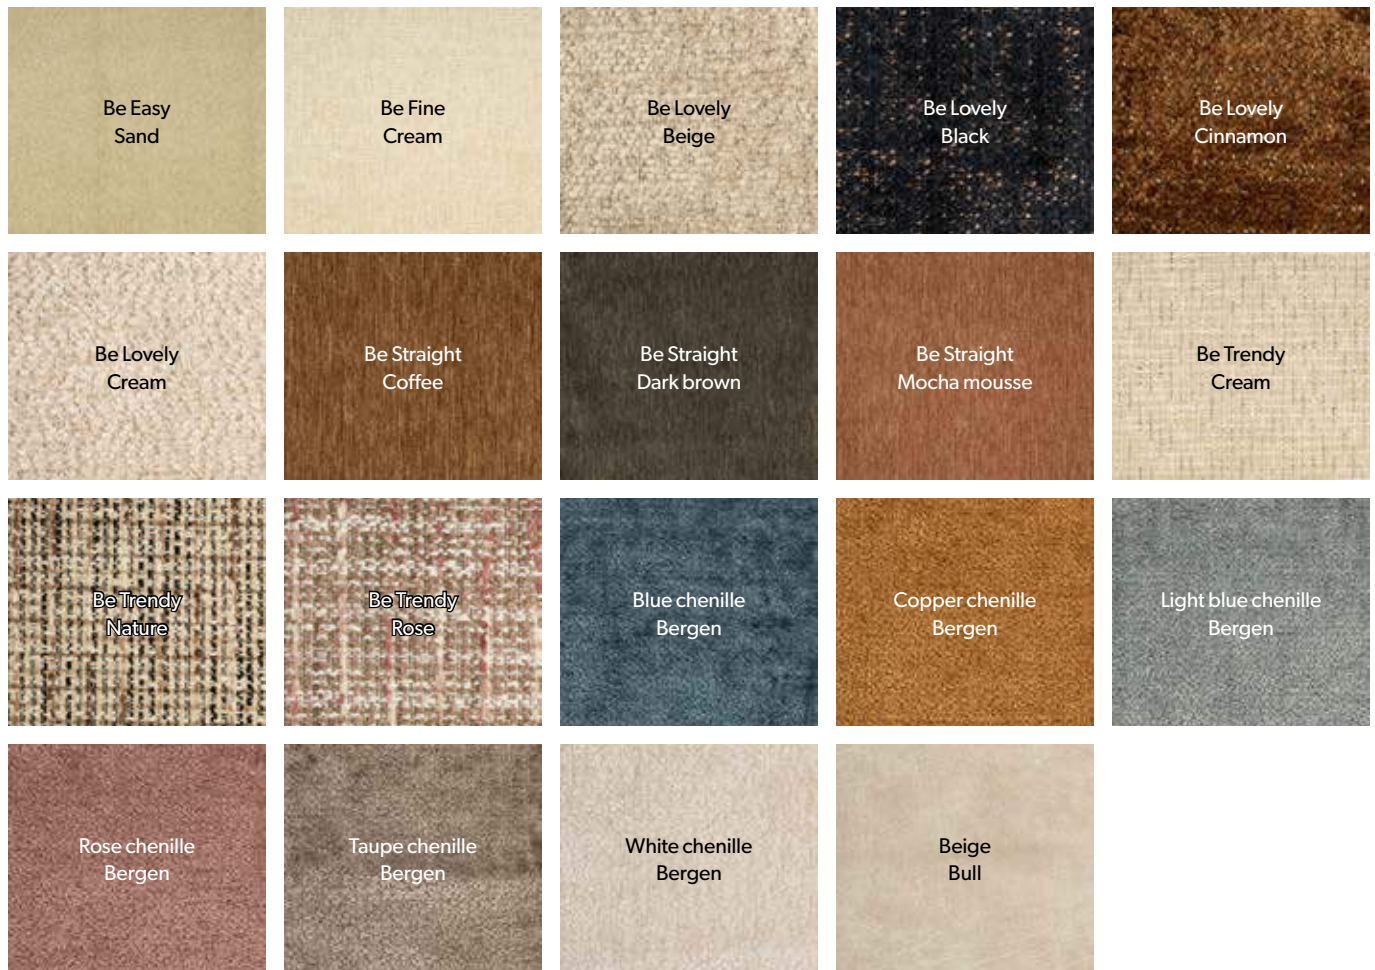

**Team Richmond**

| Be Easy         | Be Easy is a comfortable and versatile fabric that lives up to its name. With its relaxed feel and easy-going maintenance, it is an ideal choice for everyday furniture.                                                                                                                                              | 100% PES                                                      | 45.000     | 4-5     | Light 6         |
| Be Fine         | Be Fine is a soft and elegant fabric that balances sophistication with practicality. Its subtle sheen and smooth touch make it a durable yet graceful option.                                                                                                                                                         | 100% PES                                                      | 60.000     | 4-5     | Light 6         |
| Be Lovely       | Be Lovely is a very soft and fluffy fabric with a trendy look. The finely coordinated colors add the finishing touch to the extremely soft feel. Thanks to its soft feel, the fabric looks very luxurious.                                                                                                            | 100% PES                                                      | >45.000    | 4-5     | Light 6         |
| Be Straight     | Be Straight has a clean and sleek appearance, perfect for minimalist designs. Its straightforward texture offers a timeless look while remaining highly practical.                                                                                                                                                    | 100% PES                                                      | 50.000     | 4-5     | Light 6         |
| Be Trendy       | Be Trendy is a contemporary fabric with a fresh, fashionable look. It combines modern style with practical qualities, making it a favorite for vibrant interiors.                                                                                                                                                     | 100% PES                                                      | 65.000     | 4       | Light 6         |
| Bergen Chenille | Bergen, a landscape of intricating heavy chenille. This rich upholstery fabric has a soft touch.                                                                                                                                                                                                                      | 100% PES                                                      | 100.000    | 5       | Light 5         |
| Bull            | Bull combines a leather look with the pleasant feel of fabric. The backing is made of 100% recycled leather fibres flocked onto microfiber, creating a comfortable and firm grip. The microsuede top layer with leather print is dirt- and moisture-resistant; daily use gives a used look without affecting quality. | Faceside: 96 % PES, 4 % PUP<br>Backside: 100 % Leather fibres | 32.000     | 3-4     | Light 3-4       |

## ENDLESS OPTIONS TO MAKE YOUR FURNITURE TRULY YOURS

From soft to bold: create your own personal look & feel! Choose from no less than 22 fabric types in 54 colors and give your chair or sofa a style that perfectly matches you. Go for luxurious softness with Be Lovely, sleek and timeless with Be Straight, or strong and reliable with Lodge. Or embrace the trendy bouclé look of Copenhagen. Whatever style you're after, our fabric collection combines comfort and quality to ensure your furniture always sets the right tone.

| Fabric            | Description                                                                                                                                                                                                                                 | Composition faceside | Martindale | Pilling | Colour Fastness |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------|------------|---------|-----------------|
| Cayenne           | Cayenne is a stylish and robust fabric with a timeless character. It is designed to stay beautiful for years, making it a versatile choice for both modern and classic interiors.                                                           | 100% PES             | 100.000    | 4-5     | Light 5         |
| Cloé              | Cloé is a classic and stylish cord-velour that stands out with its stunning feel. This beautiful chenille jacquard makes any piece of furniture look trendy.                                                                                | 100% PES             | 48.000     | 5       | Light 6         |
| Copenhagen Bouclé | Copenhagen is a trendy bouclé fabric. This bouclé fabric has a looped appearance and knotted surface that ensures a natural look and ultimate soft touch.                                                                                   | 100% PES             | 100.000    | 5       | Light 5         |
| Everest           | Everest is a bouclé fabric with a subtle two-tone effect. Made with 100% recycled polyester yarns.                                                                                                                                          | 100% PES             | 80.000     | 4-5     | Light 4-5       |
| Fusion            | Fusion offers a heavy and chunky quality while the chenille yarns create an elegant, soft and full hand feel. The dessin is subtle and can be styled both as an interior basis or accent fabric.                                            | 100% PES             | 85.000     | 4-5     | Light 5         |
| Giulia            | Giulia is woven from a blend of yarns and stands out with its distinctive noble appearance. The stylish impression convinces with its beautiful, natural look, especially with its rich character and soft touch.                           | 85% PES, 15%VI       | >85.000    | 5       | Light 4-5       |
| Island            | Island is a fabric that will lift the appearance of any furniture item on its own. The dessin shines slightly and is luxurious with the use of heavy chenille yarns, therefore it can be styled both as an interior basis or accent fabric. | 100% PES             | 55.000     | 5       | Light 4-5       |
| Jasper            | The contemporary interpretation of the ribbed, velvet-like fabric. The extraordinary retro wave is interrupted by an exciting stiffness. The exciting image of the yarn-dyed chenille fabric is supported by a melange effect.              | 100% PES             | >35.000    | 4-5     | Light 5         |

# FABRICS

| Fabric        | Description                                                                                                                                                                                                                                                                                                                                                    | Composition faceside | Martindale | Pilling | Colour Fastness |
|---------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------|------------|---------|-----------------|
| Lodge         | Lodge is a strong and reliable fabric with a refined texture. Its durability makes it ideal for intensive daily use, while the soft handfeel ensures long-lasting comfort.                                                                                                                                                                                     | 100% PES             | 100.000    | 4       | Light 5         |
| Macan         | Macan combines a gentle appearance with resilient qualities. This fabric offers a warm and inviting look, perfectly suited for everyday living spaces.                                                                                                                                                                                                         | 100% PES             | 60.000     | 4       | Light 5         |
| Miami         | A nice, elegant and soft quality with voluminous grip. Chenille fabrics, such as Miami, are perfect for creating cozy, warm and elegant furniture. Kindly note that during use a sitting mirror/ seat depression will appear, this can be minimized by brushing Miami on a regular base. Important is to mention that this can never be taken away completely. | 70% PES, 30%VI       | 85.000     | 4       | Light 4-5       |
| Niagara       | Niagara is a soft and lofty chenille fabric. It's made of 100% PES and has no backing, making it very drapable.                                                                                                                                                                                                                                                | 100% PES             | 100.000    | 4       | Light 5-6       |
| Quartz Velvet | Quartz is a knitted warp velvet which is named after the gemstone because of its exquisite qualities. With its very fine high pile, matt look and extreme softness, this fabric is usable in many different applications.                                                                                                                                      | 100% PES             | 45.000     | 4-5     | Light 4-5       |
| Sheep         | Sheep is a fluffy fabric with a trendy look. The finely coordinated colors add the finishing touch to the extremely soft feel. Sheep is made of pure polyester, which makes it particularly durable.                                                                                                                                                           | 100% PES             | >35.000    | 4-5     | Light 6         |
| Unicorn       | Unicorn is a trendy structural fabric with a discreet two-colored finish. Unicorn also appeals by an extremely soft feel, which is created using chenille yarn. Unicorn is breathable, with a surface structure that looks fresh and trendy.                                                                                                                   | 100% PES             | >35.000    | 4-5     | Light 6         |

# 3D WAREHOUSE

Every great interior starts with imagination. You may fall in love with a beautiful sofa or a stylish chair in the showroom, but the real question is: how will it look in your own space? With Richmond Interiors' 3D models, you no longer have to wonder, you can see it for yourself.

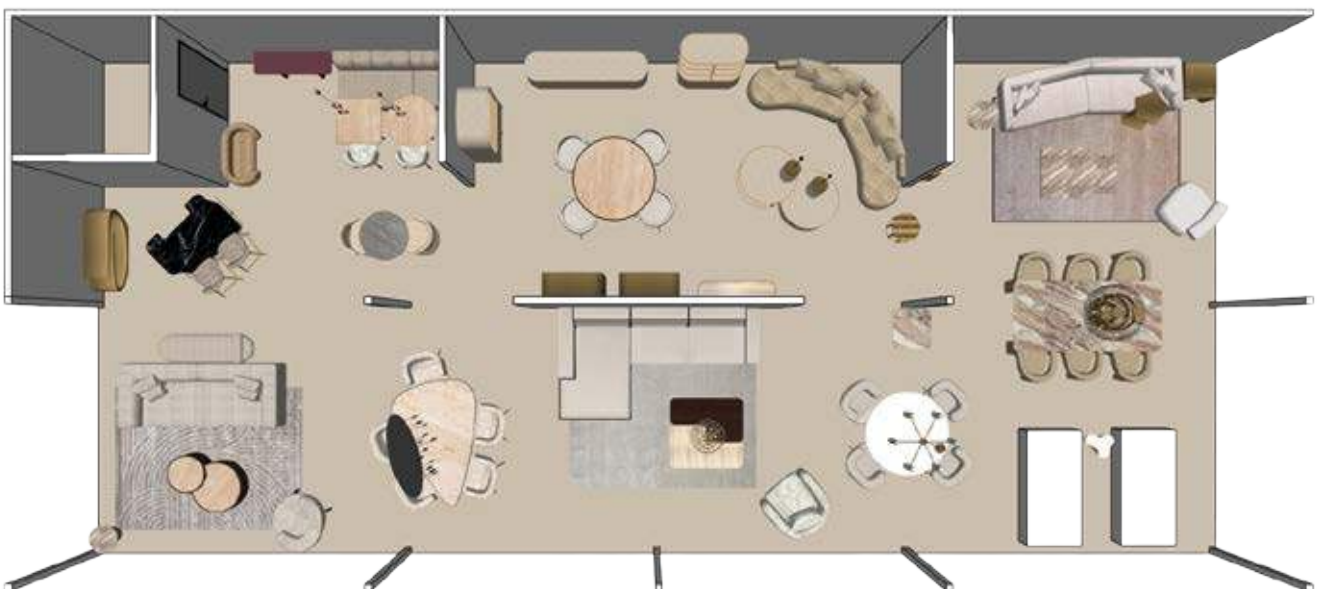

A wide selection of our furniture is available as realistic 3D models in 3D Warehouse, the online library of SketchUp. This intuitive design tool is a favorite among professionals and design lovers worldwide. It lets you bring your ideas to life by virtually placing Richmond pieces directly into your own setting. Picture how a sleek sofa transforms your living room, how a dining chair enhances your table, or how a complete lounge arrangement makes a bold statement in a project.

Scan QR to open  
3D warehouse

It's wonderfully simple: download SketchUp, search for Richmond Interiors in 3D Warehouse, and start creating. Move, rotate, and scale each piece until your design feels just right. Instantly, you'll see how proportions flow, how styles connect, and how every choice shapes the atmosphere. Planning your interior becomes not only easier, but a creative adventure you'll truly enjoy.

Whether you're refreshing your own home, guiding a client as a dealer, or presenting a full hospitality concept, our 3D models are the perfect tool to spark ideas and visualize possibilities. Discover the world of Richmond Interiors in 3D and experience how effortlessly your vision can become a virtual reality.

Sit happens,  
make it stylish
